

Mind your language: Essential writing and grammar skills

Does grammar make your grumpy? Need to brush up on use of language? This workshop is designed to sort out some common areas of confusion and make language and grammar accessible for all.

The workshop will cover:

- How to use apostrophes.
- Commas, semi-colons and colons: what's it all about?
- Sentence construction and types of sentence.
- Dangling participles (no they're not a medical condition) and how to avoid them.
- When to use 'that' and when to use 'which'.
- The role of hyphens.
- Quotation marks
- Other common mistakes and areas of confusion.
- Your grammar and language questions answered.
